MEMORANDUM FOR: Deputy Director for Support

SUBJECT : Survey of Commercial Bus Service to and from the
Headquarters Building During Rush Hours

REFERENCE : Memo dtd 27 May 68 to DD/S fr D/L, same subject

1. This memorandum is for your information only.
2. As a followup to referenced memorandum, we have again evaluated the commercial bus service to and from the Headquarters Building during rush hours.
3. During this check we found that the bus service to and from the Headquarters Building during rush hours was considered to be satisfactory. Casual questions asked of fellow passengers during these test rides again confirmed our conclusion. No deficiencies were observed during this series of test rides.
4. We will make another check in about 45 days in an effort to ensure adequate service for Agency employees. Also, the next check will give us the opportunity to evaluate the use of scrip, which is scheduled for around-the-clock use in the near future.
